

Jembrana Bali homestay

Jalan Pantai Air Kuning, Desa Air Kuning (Kec. Jembrana), the region capital Negara is about 8 km away from the homestay, click [here](#) for the exact location.

There are 4 standalone cottages, three of them are based on 2 people and one is based on 3 people (2 beds), there is also a 2 bedroom villa suitable for maximum of 6 people.

All rooms have a fan, A/C and Wi-Fi, they provide a water gallon on the room and the price is including a standard breakfast (toast with scrambled eggs or omelette), if you want something else that is possible at an additional cost. Lunch and dinner is also served there, they have a good menu with Indonesian dishes.

It is located in a nice garden and a long path leads to the beach where the local fisherman working on their boats, preparing to sail out at night, you can also find the local people walking their buffalo on the beach or let them in the ocean for a dip.

For the homestay it is possible to organise a trip in the area with a local driver, to arrange a motorbike for rent so you can do a drive on the motorbike in the area as it is beautiful to drive around, there is also a possibility

for horse riding on the beach. There is also an option for surfing lessons with a local surfing instructor, the waves are beginner level.

Air Kuning is one of the many fishing villages in the area, and there are many boats on the beach right behind the homestay, here you will find lots of activity in the morning when they return from their fishing trip, and also if you want to go fishing yourself it is possible to arrange this. The sunset at the end of the day can be very beautiful at the beach.

The homestay also offers a 4 hours trekking up to the mountain.

You can also do a Balinese cooking workshop in the kitchen of the homestay.

Program for volunteers

The manager Jenny is very active with social projects they are sponsoring an orphanage and if you want to do some volunteering it is possible with the orphanage, the activities are English teaching, help with the cooking, keeping the kids busy, assist with sports and games.
